# Rules of both Houses of Parliament

RESPECTING THE

## LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the session of Parliament except the Governor General, the Members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce Strangers to the Library during the daytime, but not after the hour of seven o'clock, P. M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week. Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarian; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except Members of the Legislature, and such others as may be authorized by the Speaker of either House.

During the recess of Parliament, no Member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House to borrow Books from the Library, shall be allowed to have in his possession more than two Books at any one time, or to retain the same longer than three weeks, and all such persons shall return the Books so taken when required by the Librarian.

No Books of reference, or Books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the Books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

# Règlements

CONCERNANT LA

## BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur-Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent, en personne, introduire des étrangers dans la bibliothèque, pendant le jour, mais non après sept heures P. M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice excepté sur autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion du Bibliothécaire, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre, ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou garder en sa possession plus de trois ouvrages à la fois; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège, — sur la foi d'une carte du président de l'une ou de l'autre Chambre, — d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence ou ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following new Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any book belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian, or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room; nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la bibliothèque ou faisant usage des livres qui la composent sont priées de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

## REPORT OF THE JOINT LIBRARIANS OF PARLIAMENT.

---

Since the last Session the section devoted to United States Congressional Documents has been enriched by additions which extend the collection backward from 1854 to 1827. The Librarians hope to be able during the year to complete the series backward to 1820, the earliest period at which any such collections generally begin.

Two more alcoves of the Library have been placed at the disposal of members for the purpose of study and work, and the books have been more conveniently placed for reference.

The Canadian and American sections have received many valuable additions during the year. Among them, we may point out: *Champlain's Voyages*, 1613. Cotton Mather pamphlets on pre-historic America, very scarce. We have also been able to secure the following newspapers, which are perhaps the only copies existing, at least for several of them, bearing on the political troubles of 1837-8: *The North American*, Swanton, Vt., 1839-41. *Mackenzie's Gazette*, New York and Rochester, 1838-40. *Le Patriote Canadien*, Burlington, 1839-40, published by M. Duvernay, after the suppression of *La Minerve*. *L'Aurore des Canada*, Montreal, 1838-9. *La Canadienne*, 1840. We have also bought in London a very fine collection of Canadian and American maps, published during the latter end of the eighteenth century.

Additions in considerable number have been made, partly by purchase and partly through the aid of the officer in charge of the distribution of Parliamentary documents, to the volumes of Hansard available for the use of members. The order of the Hansard Committee of last Session, to afford the Library an increase in the number of volumes annually sent to the Library, has been duly fulfilled by the officer in charge of the House of Commons printing. The Library is now fully provided with sufficient copies of the Debates since 1875, to stand the wear and tear of many Parliaments.

The Library has been duly provided with copies of all documents relating to the Fisheries question, and it will be seen, on reference to the Catalogue, that a special list or index of documents relating to the great international question has been prepared. This will probably be found very useful.

The various pamphlets bearing on our trade relations with the United States and England have been provided; and a list of references to documents treating of Reciprocity, has also been prepared.

Considerable additions have been made to the Law section, the latest editions of the most useful text-books having been procured.

## RAPPORT DES BIBLIOTHÉCAIRES CONJOINTS DU PARLEMENT

---

Depuis la dernière session, ils se sont efforcés de compléter la collection des documents du Congrès, en remontant de 1854 à 1827. Ils se flattent de pouvoir, pendant l'année prochaine, remplir le vide qui existe encore jusqu'à 1820, date au delà de laquelle ces documents sont maintenant introuvables.

Deux nouveaux compartiments de la bibliothèque ont été mis à la disposition des députés, pour leur permettre de travailler, et les livres de référence qui peuvent leur être utiles, se trouvent à proximité.

Les sections américaines et canadiennes se sont enrichies, pendant l'année, de plusieurs ouvrages remarquables; entre autres, nous pouvons attirer l'attention sur les *Voyages de Champlain*, édition de 1813; une brochure très rare de Cotton Mather sur l'Amérique préhistorique; dix volumes des *Relations des Jésuites*, édition princeps, etc.

Nous avons réussi à nous procurer les journaux canadiens suivants, tous très rares (quelques collections même sont uniques), et ayant tous rapport aux troubles de 1837-38: *The North American*, publié à Swanton, Vermont, 1839-41; la *Mackenzie's Gazette*, publiée à New York et à Rochester, de 1838 à 1840; *Le Patriote Canadien*, fondé à Burlington par M. Duvernay, 1839-40, après la suppression de *La Minerve*; *L'Aurore des Canadas*, 1838-39; *La Quotidienne*, 1839; *La Canadienne*, 1840, ces trois derniers publiés à Montréal.

Nous avons aussi acheté à Londres, une magnifique collection de cartes géographiques ayant rapport à l'Amérique et publiées dans la seconde moitié du 18<sup>e</sup> siècle.

La bibliothèque s'est aussi enrichie d'un nombre assez considérable des Rapports des débats officiels pour l'usage des députés, en partie par achat et en partie par l'intermédiaire de l'officier préposé à la distribution des documents parlementaires. L'ordre du comité des Débats, qui a recommandé, l'an dernier, d'augmenter le nombre des copies du rapport officiel des débats du Parlement, a été fidèlement suivi par celui qui est chargé de la distribution des impressions de la Chambre des Communes. La bibliothèque est maintenant amplement pourvue de débats officiels depuis 1875.

On trouvera à la bibliothèque tous les documents ayant rapport à la question des pêcheries et on verra, en référant à l'Index supplémentaire, qu'une liste spéciale des documents ayant rapport à cette grande question internationale a été préparée avec soin. Nous espérons que l'utilité d'une telle liste sera appréciée.

Les bibliothécaires se sont efforcés de réunir toutes les brochures publiées dernièrement sur nos relations commerciales avec les Etats-Unis et l'Angleterre; ils y ont ajouté une liste des documents relatifs à la réciprocité.

La section des lois a été complétée et renferme maintenant les dernières éditions des ouvrages de droit.

The work on the Catalogue of Americana has been begun, as it is understood that the means for continuing a very essential work will be duly provided.

The annual catalogue of accessions has been delayed a little in order to include the latest publications. It will be distributed at an early date.

All of which is respectfully submitted.

MARTIN J. GRIFFIN, *P. L.*

---

Les travaux préparatoires à la publication du catalogue américain ont été commencés, vu qu'il a été entendu que des mesures allaient être prises pour sa publication prochaine.

La distribution du catalogue annuel des additions à la bibliothèque sera retardée de quelques jours afin de nous permettre d'y inclure les dernières publications. Les membres du Parlement le recevront sous peu.

On trouvera, ci-joint, une liste des dons faits à la bibliothèque.

Le tout respectueusement soumis.
